

**BACK TO SCHOOL 2021-2022**

## What's New In Our Schools?

### Student Favorites!

Our Pho bowl is a fun and trendy approach to lunch! Students at SHS love the customization, and the opportunity to try something new!

### Welcome Back for the 2021-2022 School Year!

We are **EXCITED** for another great year serving the fabulous students in our schools!

We are getting back to the basics this year, featuring recipes and menu items that our students love, and that bring Happy and Healthy to our cafeterias!

- **Sushi is back!** Students at SHS missed our weekly sushi feature, so it is back in action for the 2021-2022 year!
- Build Your Own Bars bring international flavors to our schools!
- Prepackaging has been replaced by **colorful displays** for all of our food!
- We are bringing the **FUN** back to lunch! Our onsite chefs will be visiting the elementary and middle schools to do tastings and other fun events during lunch to introduce our students to new delicious flavors!

## STUDENT CHOICE FOOD YOUR WAY

Student Choice is **BACK** this year!!  
We will be introducing **fun new recipes** this fall in the High School and Middle School cafeterias!

Up first:  
FLAME-A delicious new grill concept!  
MELT-Featuring new takes on classic grilled cheese!

Here's a quick overview of how Student Choice works:

1. Students **taste** sample menu options of two new food concepts in a tasting event held in the café.
2. Students **vote** for their favorite concept using live polling software via text messaging.
3. The winning concept is then featured on the menu as a limited time offer for students to **enjoy!**

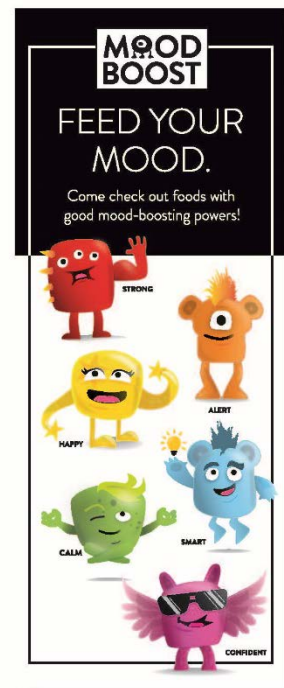

## MOOD BOOST

Mood Boost is a program that features interactive experiences, tasty new menus and fun characters that focus on six moods: **Strong, Alert, Happy, Calm, Smart, and Confident** and which foods can boost them and why.

Students will soon be able to learn that healthy eating patterns can give them an emotional boost. This initiative is another way Westport and its foodservice partner [Chartwells K12](#) are ensuring students leave the cafeteria happier and healthier than they came.

**Tastings will be starting up in October!!!**

## Discovery KITCHEN

Each month, we introduce a new Discovery Kitchen theme featuring lessons, events and culinary demonstrations. These themes are designed to bring a fun and inspiring sense of food discovery to our students and school communities. Be on the lookout for upcoming tastings and fun!!

We are **OVERJOYED** to be back serving our **FAVORITE** students!  
A big **HELLO** from your Westport Chartwells staff!
